Alex Stewart International LLC Announcement, September 2009

Following a lengthy investigation and evaluation of the Food Safety Management (HACCP) business, the ASIC board of directors is pleased to announce that an agreement between ASIC and World Food Safety Organisation (WFSO) was made in Aug 2009. The agreement will enhance our Microbiological Lab facilities and position ASIC at the forefront in providing a comprehensive Food Safety Management /HACCP program; including certification, Training and implementation. The WFSO will be providing the technical and administration support to all the ASIC branch offices and endorse the ASIC inspection certification. The official launch of the ASIC/WFSO arrangement will be made in Istanbul on the 19th Oct.09. Mr. Levent Delibas is designated to coordinate and manage the ASIC/WFSO business.
