ANNOUNCEMENT / COVID-19

ALEX STEWART INTERNATIONAL is pleased to inform all our customers that we are **working hard to maintain** our **high-quality standards** and **internationally recognized levels of services**, for both world-wide **Inspections and Analysis**, at all our world-wide laboratories. By enabling staff to work remotely where possible, all necessary **protective measures** continue to be taken to ensure the **well-being of all of our staff**, the smooth running of the business and also for continuity of all services.

Inspection Services in China are already returning to full operational levels and our **Inspections Team** are able to co-ordinate any new nominations for the Chinese and Asia Pacific region as usual. We are monitoring any **new developments at all ports and countries where we operate** on a daily basis, for any new **inspection or analysis** business, please contact the **country manager** listed on our website or any of the following people: -
